

Dear Parents and Preschool Students,

I would like to welcome you to a new school year! I am looking forward to seeing you. Please look for the announcement of a "Back to School Night" that I will hold before the first day of school. The school will let you know what day to come when the time gets closer.

For the **Preschooler**:

Our school days will be very busy with lots of interesting and fun things to do. As we will be involved in some messy learning activities such as cooking, planting, painting, and exploring various materials, please wear clothing that is NOT your best and that is okay to get a little messy.

We will also be working hard learning colors, shapes, counting, letters and how to take care of our classroom materials.

You will need some supplies to work with, so please collect the following items and make sure you have them labeled with **YOUR** name!

- A bottle of foaming, liquid hand soap
- 1 bottle of liquid Elmer's type glue and two glue sticks
- 1 set of watercolors
- A pair of slippers or indoor shoes
- 1 large back pack which should come to school and go back home with you **every** day
- A complete change of clothes in a zip lock bag that will stay in your backpack in case you need it at school

Looking forward to seeing you all very soon!
