

Mission Statement

The Eureka County High School community is dedicated to providing all students with the opportunity to learn skills, knowledge, and attitudes essential for success.

Beliefs

The Students, Faculty, Administration, and Parents at Eureka County High School believe that:

- ❖ The importance of education is demonstrated through a rigorous and challenging curriculum.
- ❖ The responsibility of our students' education is shared by students, faculty, administration, parents, and community.
- ❖ A safe, supportive, and respectful environment is essential to educational success.
- ❖ Our students are valued as individuals who can learn and succeed intellectually, personally, and socially.
- ❖ Our students will succeed if we are all committed to excellence and hold high expectations for the entire school community.
